NOTE: Advertisement Nutritional Information is US Version - Australian (International) ingredients are reformulated & do not contain "Yohimbine HCL"

Directions: Take 1 liqui-caps 30 minutes before breakfast or morning workout and 1 more liqui-caps in the afternoon. Start off with only 2 liqui-caps on your first two days (1 in the morning and 1 in the afternoon) and increase dosage by 1 liqui-caps every two days until maximum dosage of 3 liqui-caps is reached.

The advertisement features four sets of before-and-after photos arranged in a 2x2 grid, with a central image of a white, oval-shaped liquid capsule. The photos are labeled with 'Day 1' and 'Day 90' or 'Day 28'. The top-left photo shows Ann Pratt, a woman in a pink bikini, with the caption: "Ann Pratt reduced her body fat by 22 lbs in 2 months." The top-right photo shows Seth Reese, a man in a blue tank top, with the caption: "Seth Reese lost 28 lbs. of body fat by incorporating Lipo-6 into his own diet and training regimen." The bottom-left photo shows Bernd Brutschstein, a man in a grey tank top, with the caption: "Even in Europe Lipo-6 is widely popular. Bernd Brutschstein from Germany lost 20 lbs in just 28 days by using Lipo-6." The bottom-right photo shows Phil McDowell, a man in a red bikini, with the caption: "Phil McDowell stripped off 34 lbs of body fat in 3 months." In the center, the capsule is surrounded by text: "Liquid Capsule", "Fast Acting", and "Maximum Strength" on the left; "Superior Absorption", "Attacks Stored Fat Cells", and "Unique Appetite Controlling Properties" on the right.
